## Dedication

The Adult Chorus dedicates this program to the memory of Denis Moldenhauer who died April 3, 1969.

During the years of his attendance at St. Peter's College Denis sang often for the public at the College, at the Humboldt Music festival, and at St. Ursula Academy.

When he first arrived at the College he had a boy soprano voice, which rapidly became a rich baritone. He sang the Pirate King in "Pirates of Penzance;" Boston Waggoner in "Luck of Roaring Camp," and in the chorus of H.M.S. Pinafore.

Denis loved to sing, and shared his time and talent generously with audiences. We are grateful for the joy he brought us.
